The Little Black Book of Scams

Tax Scams

Got a call or email from the CRA? Make sure it's real!

You get a text message or an email from the Canada Revenue Agency (CRA) claiming **you're entitled to an extra refund** and all you need to do is provide your banking details. Watch out this wonderful if true situation is exactly what a tax scam looks like. Another variation is that they call you to say that **you owe the CRA money** and that you need to pay right away, or else they will report you to the police. In any case, if you do receive a call, letter, email, or text saying you owe money to the CRA, you can double check online via "My Account" or call 1-800-959-8281.

Tips to protect yourself:

The CRA will never:

- use aggressive or threatening language.
- threaten you with arrest or send police.
- ask for payments via prepaid credit card, or gift cards, such as iTunes, Home Depot, etc.
- use text messages to communicate under any circumstances.

Emails from the CRA:

- never ask for financial information.
- never provide financial information

The CRA's accepted payment methods are:

- online banking.
- debit card.
- pre-authorized debit.

If you suspect a scam, always report it.
