April is here. Spring Begins!

Here are 6 interesting facts to know about April:

1. The birthstone for April is the diamond. Diamond comes from the Greek word Adamas meaning indestructible.
2. April comes from the Latin word Aperire which means to open. This is referencing the many flowers that bloom in this month.
3. On April 6th, 1896 the first modern time Olympics were held in Athens, Greece after a break of 1,500 years.
4. On April 7th at 7:35 a full pink moon will rise. It will reach its full illumination after sunset.
5. April will always start on the same day of the week as July.
6. The flower for the month of April is a daisy.
