

Saint Patrick's Day on March 17th; a celebration that became an official Christian Feast Holiday in Ireland in the early 17th century and is now the most celebrated annual festival in the world! Don't forget to wear your green!

It's Tax Season!

If you haven't gotten your taxes done yet, there's no need to panic quite yet.

The due date to file your individual taxes is April 30th and since that falls on a Saturday this year, you actually have until May 2nd!

However, do keep in mind that this is also the due date to pay your owing taxes, so it is still a good idea to file your taxes sooner rather than later.

For all of you that are self-employed, June 15th is your deadline to file.

IMPORTANT UPDATE for All Inonoaklin Edgewood Broadband Users:

Our Service Plans Pricing will be changing, effective March 30th, 2022. An increase of \$10/mo. on all package plans will be applied.

See www.edgeconnection.ca/internet-service for updated plans and pricing.

Daylight Savings Time (DST)

Daylight Saving Time begins on **Sunday, March 13, 2022, at 2:00 A.M.** so don't forget to set your clock forward by an hour!!

Why doesn't all of Canada follow daylight savings time? It is up to the legislation in each municipality in Canada to decide on the use of DST. As a result, there are some locations that don't follow the DST schedule of their in provinces and territories.

For example, while British Columbia uses DST, some locations in the province do not. These include Chetwynd, Creston, Dawson Creek, Fort Nelson, and Fort St. John.

In Saskatchewan, it is the opposite. Most of the province does not observe DST, except for some locations, including Creighton and Denare Beach.

From March 8, 2020, the Yukon made DST permanent.

Since 2007, all provinces, territories, and locations in Canada using DST follow the same start and end dates as the United States.

Groundwater Licensing

The deadline to apply for a water license, if you started using groundwater from a well or dugout before March 1, 2016 for non-domestic uses (home businesses, irrigation, commercial, waterworks, or industrial use), was March 1, 2022.

If you missed the deadline, you must stop using the water and apply as a new user.

For more information visit: groundwater.gov.bc.ca

For help applying call FrontCounter BC at 1-877-855-3222 or email FrontCounterBC@gov.bc.ca

This plan will support the highest speeds available.

Installs and speed can be affected by the following obstacles:

- ❖ Quoted plan speeds are best effort and will be effected by your location and natural obstructions (trees, mountains, etc.)
- ❖ Data Overages are charged at \$1.00 per GB over what is included in your plan.
- ❖ "Burst Speed" is a temporary increase in speed when there is network capacity.

New subscribers will have to confirm whether they are home owners, tenants or house-sitters. Tenants or house-sitters will have to pay a deposit of 50% of the value of the radio in advance that will be refundable at end of contract, after the receipt of the equipment.

Starlink

Starlink prices seems to be differ from site to site. Finder.com prices for Starlink:
Cost \$714.00+GST (\$649 base cost + \$65.00 for shipping)
Monthly fee around \$129.00/ no contract
No Customer Service.

As with any wireless technology, numerous factors can affect your network speeds, both environmental and in-network demand. So like a busy road, if it has too many customers trying to access the Internet at once, everyone's service could slow to a crawl.
