

## 2023 Year in Review

### CBC

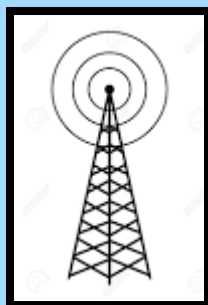

With the sponsorship from Columbia Basin Trust (CBT), Canadian Radio-television and Telecommunications Commission (CRTC), Canada Broadcasting Corporation (CBC), Spectrum and the expertise of D.E.M. Allen & Associates Ltd, the board members of Edgewood Community Internet Society (ECIS) and members of our community; The society is pleased to announce that as of October 11, 2023, the new **CBC FM frequency** is **CHEW 106.3 FM MHz**.

We would like to thank all the community members and subscribers for their continued support throughout our system upgrade, improving our community network. We continue to be the best rural internet provider in BC.

Hot spots are available in Edgewood at the Edgewood campground and in Fauquier at the Arrow Lake Motel.

### The Goat Mountain Project

The work is still ongoing at Goat Mountain, and we are expected to have it completed by August 31, 2024. We are waiting on the erection of the tower and the Engineer's report.
