

To all our subscribers and members, thank you for your support throughout the year.

From: The directors and staff of The Edge

**Benefits of Upgrading your Internet system.**

If you are having any problems that you know usually aren't supposed to be there, it might be time to upgrade systems or radios.

- ✚ There will be increased reliability with an upgraded system. NO more connection issues
- ✚ Upgrading will give a more secure Network and protect connections on various devices.
- ✚ Even when connecting a lot of devices to your upgraded system, the performance will still be good.
- ✚ Network performance will be improved!

Registered charities in Canada perform valuable work in our communities, and Canadians support this work in many ways.
