Second Annual Art Show Great Success!

Needle Felted Soft Sculptures by Betty Heppner. Photo taken by Fiona Meyer-Eppler.

The Edgewood Community Internet Society hosted their Second Annual Art Show on March 21st, and the turnout was excellent!

Many local artists brought their works of art in for members of ours, and the surrounding communities, to come out and appreciate.

The artists were available to discuss their works, which many people took advantage of, and there were snacks and refreshments available to all.

Everyone who came had a wonderful time, and we encourage you to come and see the pieces of art that we are still hosting.

Art lovers and artists mark your calendars, because September 8th is the local annual Art Walk in the Park, located in the Cenotaph Park in Edgewood.

Feel free to give us a call if you are interested in having your work displayed!

NOTE: THE NEEDLES CABLE FERRY WILL BE REPLACED BY THE "M.V. SHELTER BAY" FROM APRIL 1ST TO APRIL 30TH.

Delays can be expected on April 1st while removing vessel cables, but schedule is expected to be mostly unaffected until the 30th, when placing vessel into service.
