Music By The Lake's Edge!

This year *The Edge* has planned a new treat! On August 28th, lots of music and fun will be available to those who wish it at the Baseball Park. The First Annual Music By The Lake's Edge will be held there, with guests like Banjo Allen, Donna Brooks, and many others! Refreshments and snacks will be available for purchase, and lawn chairs are recommended. *The Edge* hopes to see you there! Look around town for more information in the coming weeks on prices and musicians.

Community River Float

Saturday July the 17th the community got together and brought their tubes to float down the Inonoaklin River. There was great food and prizes. The first floater in without cheating was Dylan Douglas. Taylor Shular won a prize for the youngest floater, Damon Devlin and Esper Esperson found the treasure Chest and Janet Ryko won the fossil prize. Bret Jacobsen and Mark Trout won Most Sportsmanship Award (due to unforeseen water balloon bombing). Thank you to all the Volunteers, the Parks Board, Alice Rawlins, Bre Volansky, Calvin Stewart, the Edgewood Store, Carols Café, Backfire Café, J&S snacks, Cheryl Buhrman for Music In Motion, The Legion, Teen Night and Okanogan Ribbons and anyone else that I might have left out for their donations.

!! Kids Summer Reading Group !!

So far, we have had three amazing sessions of the Kids Summer Reading Group! Each Reading Group Session, Echo Bellerose and I (Hannah Turnbull) bring the children to the relaxing reading blankets on the cool shaded grass just footsteps away from The Edge. Here the adventure begins! We take a journey way back into time, and we learn about the ways and wisdoms of the people and animals that lived before us here on this land. On Friday July 23, our Reading Group Session focused on Fossils! We went on a little nature walk to collect Earth imprints – things of the Earth like rocks, bark, flowers and twigs which we then used to imprint into clay dough to make our own fossils! Every session, the children enjoy a good snack of apples, oranges, real fruit juice and crackers. We believe that a healthy snack will nurture each child's energy and creativity. We have a good number of kids participating in this Reading Group. These are the children who have attended so far; Micki & Brady Milne, Dylan Jurick, Catalina Duplessis, Courtney & Taya Bellerose, Nicholas Groff, Etta Gaudet-Lemelin, Jesse Lemelin, Leslee Larson, Thor Enge and Ryzoh Eturnalson. Who will be the one to read the most books?? Taya Bellerose is well in the lead right now as she has read ten books, and so has received ten stars under her name band posted on the Reading Wall at *The Edge*!! Keep on Reading!!

Enjoy Your August!

The month of August is historically the hottest month of the summer. This month, the BC SPCA would like to remind all pet owners, to make sure your pet has ample shade and water, and do not leave your pet in the car as the heat can cause serious distress or death! Also, your local BC SPCA representative would like to remind all readers to come to her for referrals for pet adoption, or inquiries for spaying and neutering your pets! Eveline can be reached at 425 Ferret Rd, or 269-7641.
