## Potluck & Jam

Friday, November 23<sup>rd</sup> 2012

Left to right, Cathy Watson, Sheila McGinnis, Ed McGinnis, Lindsay Knapton, Frank Appleton, Dick Eichenhauer and Glen Gilmour.

Thank you to everyone from Burton, Fauquier, Needles and Edgewood who came out to the potluck and jam to support community access sites in Edgewood and Fauquier. Good music and food were shared by all while enjoying a historical photo display from Frank Appleton. The Fauquier Community Hall have a permanent display of historical photos on display, which was thoroughly enjoyed by all.

Lucky Winners of Gently Used Computers were: Chris & Susan Bampton, Jim & Ariel Prentice, Dick Eichenhauer and Jordan (from Fauquier)

## Need Help Using a Computer?

The world of technology is moving quickly, and it can be hard to keep up. If you still find using computers and the internet confusing but necessary, we can help! Drop in at The Edge during open hours for a one-on-one training session in whatever you need help with, including using email, Facebook, Google, job searching, photo editing and uploading, and other basic computer functions. This service is free, but donations to help keep the community access site running are always appreciated. If there is enough interest we can run group sessions too.

## Thank you to Alan Devlin

From left to right, Rich Moonie/CBC representative, Lucien Michaud and Alan Devlin on Goat Mountain.

The Edge would like to recognise his many years of service in keeping the CBC radio broadcast active. His commitment to keeping CBC in the air has been one of those services that when it's not functioning everyone is missing it. It has been so steady and long lasting without break that the service has been taken as a matter of fact to being there to listen. It's a long distance to get to the top of Goat Mountain to service equipment, especially if the equipment to be serviced needs to be hauled 222 kms in the other direction.

Kudos to Alan Devlin!

## Still Looking for Cookbook Submissions

We are still planning on creating a cookbook for this region, and would appreciate any submissions of recipes, pictures, poetry and other writing. It doesn't have to be fancy or complicated, just think of your favorite things to cook, bake and preserve. Please send in recipes in person or to [edge@edgeconnection.ca](mailto:edge@edgeconnection.ca), or by mail to The Edge. Funds will be used to support a weeklong Summer Cybercamp, including the personnel and supplies.

Registered charities in Canada perform valuable work in our communities, and Canadians support this work in many ways.

*The Edge's* Registered Charity #86745 45 RR0001. We welcome regular givers.
