New Youth Intern

Hello, my name is Philecia Isaacson, daughter of Phil Isaacson. I am the new Youth Intern at The Edge CAPYI site. The future holds many opportunities with computers and the Internet. It gives us the convenience of many things. I am very fortunate to have this experience to better expand my technology skills and knowledge. I am nineteen years old and have lived in Edgewood for two and a half years. I've spent my summers and other holidays here with my dad since I was nine years old. I've known a lot of people here since I was little. I am very happy to have become a part of the community. *The Edge* opens up many opportunities to the public, so we are always pleased to assist you in any needs. Christina Hilborne & Hannah Turnbull are the two other newly hired Youth Interns currently working away at *The Edge*.
