## Happy New Year!!

A lot has happened over the month of December for us here at The Edge. We attended the Christmas Craft Sale at The Legion on the 7<sup>th</sup>, which was a lovely event as always. Our booth, where we were taking pre orders for our DVD, *The Columbia Rivers Edge Legacy*, was set in a prime location right beside the entryway. The DVD, a fabulous compilation of Old Edgewood heritage pictures dating back to the 1920s, was a great success. The Edge has been working on this project since 2005 and would like to thank all who contributed to making it a reality. We have taken quite a few preorders for the CD and are in the process of filling each order. If you or anyone you know would like a copy of this excellent piece of Edgewood history please give us a call and place your order. We will be selling the CD on a 'print on demand' basis and welcome all of your orders. The cost of each CD is \$10.00.

We also celebrated Inonoaklin Edgewood Broadband's second birthday on December 12<sup>th</sup>, which was a delicious success. Thanks to all who attended. We look forward to the same time next year!
