## Happy New Year from The Edge!

### LISTEN UP!

Have you ever turned on the radio and thought: I know what's happening on the other side of the world ... but not in my own community. I know there's incredible musical and creative talent [here](#) ... why am I listening to this? Or wondered ... What would it be like to create and host my own show? Share my own music? Interview my own guests? Discuss local issues that affect us all? If this sounds even a little familiar, we would love to hear from you!! Drop by The Edge, at 322a Monashee Ave (under the Health Clinic), or contact us by mail at the address below, or by email at [edge@edgeconnection.ca](mailto:edge@edgeconnection.ca).

We are trying to gauge interest in starting a community radio station for Edgewood and surrounding area. Community radio stations are a growing field within the greater radio broadcasting sector, and there are many success stories all around us, including The Arrow, CJHQ 107.1 FM in Nakusp and CJMP 90.1 FM in Powell River.
