Summer

The weather is getting hot once again, so keep the sunscreen on or seek out shade in the afternoon hours. Another option would be to go out in the evening when it's cooler.

Usage

Don't forget to check your usage! With kids off of school the Gigs can skyrocket! Go to edgeconnection.ca to check your usage.

Hydration

The summer heats uses up a lot of the bodies fluids, be sure to drink plenty of water when you're out and about.

Fires

Remember as it gets closer to summer to watch your fire usage. Be safe and use common knowledge.

Registered charities in Canada perform valuable work in our communities, and Canadians support this work in many ways.
