Spring Art Show at The Edge

The Edge goes all the way, to be an active part in the community of Edgewood. This winter we have planned many successful events. We are offering great learning opportunities and we encourage you to come see what you can learn and what we have done.

The Kalamalka Highlander Pipe Band came from Vernon, performed a mini concert at Whatshan Lake Retreat. This mini concert was a great success. We will be experiencing a full concert at Whatshan Lake Retreat on April 30th. We have organized four jams at Whatshan Lake Retreat; All jam sessions had great music, tasty meals and lots of laughter too! The jam nights brought out a lot of hidden local talent in our community and the surrounding areas. Each performance gave some great cutting edge entertainment!

We have also delivered professional quality guitar and photo cyber camps to people of all ages. **Most importantly we will be hosting a Spring Art Show, showcasing the artists of the valley.**

Thanks to, Dale Beattie, for the wonderful work in making the shelves. We would like to invite you to stop by *The Edge* on March 16th, to see the fabulous collection of local art and celebrate their successes. Some of the artists will be in from 1-2 pm to talk about their work. We will be offering tea and homemade desserts as well, so come one, come all!
