Music By The Lake's Edge

This Saturday, August 28th, *The Edge*, with help from the Wild Goose Coffee House, put on a music festival-Music By The Lake's Edge. The event was put forth as a fundraiser for The Edge, and was a great success! Talented musicians from Edgewood, as well as all over the province, attended and performed, with music going on well into the night. The success of the weekend could not have been possible, the planners hadn't had the help of a great amount of people, and the support of all of Edgewood. *The Edge* would like to thank everyone who made Music By The Lake's Edge a success!

Ambassador's Entrance Scholarship

This summer, one of our Edgewood high school graduates, Echo Bellerose, was awarded an amazing scholarship! Through Echo's hard work and dedication to academic excellence, she has been awarded the Ambassador's Entrance Scholarship. Echo has been a great help to *The Edge* with volunteer work, as well as doing an excellent job as a summer intern in the CAP Youth program. Congratulations on your scholarship, and may your first year at the University College Of The Cariboo be a great one!
